**Cheek**

# The Language Menu

Three diagrams illustrating the locations of the Lips, Biceps, and Cheek. Each diagram shows a human figure with a red dot and a line pointing to the specific body part.

- Lips:** A diagram of a human head in profile, showing the location of the lips.
- Biceps:** A diagram of a human arm, showing the location of the biceps.
- Cheek:** A diagram of a human head in profile, showing the location of the cheek.

# The Language Menu

The diagrams illustrate the correct placement of a dermal filler needle for three different areas:

- Lips:** A diagram of a lip with a needle inserted into the vermilion border.
- Biceps:** A diagram of a bicep with a needle inserted into the muscle.
- Cheek:** A diagram of a cheek with a needle inserted into the subcutaneous tissue.

**Cheek**

## The Language Menu

Three diagrams illustrating the locations of the Lips, Biceps, and Cheek. Each diagram shows a human figure with a red dot indicating the location of the organ and a black arrow pointing to it. The Lips diagram shows a profile of a head with a red dot on the lower lip. The Biceps diagram shows a person's arm with a red dot on the bicep. The Cheek diagram shows a profile of a head with a red dot on the cheek.

## The Language Menu

Three diagrams illustrating the locations of the lips, biceps, and cheek. Each diagram shows a body part with a red dot indicating the location of the corresponding muscle or tissue.

- Lips:** A diagram of a person's head and neck, showing the lips with a red dot on the lower lip.
- Biceps:** A diagram of a person's arm, showing the biceps with a red dot on the upper arm.
- Cheek:** A diagram of a person's head and neck, showing the cheek with a red dot on the cheek area.

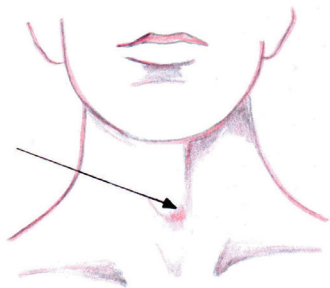

## The Language Menu

Three diagrams illustrating the locations of the Lips, Biceps, and Cheek. Each diagram shows a human figure with a line pointing to the specific body part, which is highlighted in pink. The diagrams are labeled 'Lips', 'Biceps', and 'Cheek' below them.

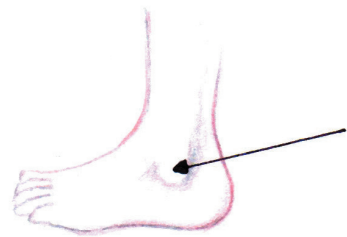

## The Language Menu

Three diagrams illustrating the locations of the Lips, Biceps, and Cheek. Each diagram shows a human figure with a red dot indicating the location of the organ and a black line pointing to it. The diagrams are labeled 'Lips', 'Biceps', and 'Cheek'.
