Middletown Psychiatric Hospital, Middletown, UK

-Involved in patient treatment analysis and planning clinical activity.

## Additional information

I have extensive experience in community mental health clinical practices, an ability to prioritize and handle a multi-task environment and also strong basic knowledge of psychiatry. I have excellent communication and organisational skills, as well as an aptitude for team building and customer service. I would like to work in versatile, challenging nursing tasks where I can contribute to the development of my work and the hospital environment.
